## SIBLING DISCOUNTS

At SCA, we value families and strive to make education more accessible for siblings. To support families with multiple children enrolled, we offer the following sibling discount structure:

1. The eldest (highest tuition) student pays full tuition.
2. The second enrolled sibling receives a 10% discount on tuition.
3. The third enrolled sibling receives a 20% discount on tuition.
4. The fourth (and any additional) enrolled sibling receives a 30% discount on tuition.

These discounts apply to tuition only and do not include fees, extracurricular costs, or other expenses.

## INCENTIVES

If tuition is paid in full by June 15, families will receive a \$100 credit per student toward their supply fee.

Tuition can be paid in monthly payments with the first payment due on July 15.
